

Frequently Asked Questions

FAQ

What if I need to speak with someone after business hours?

SYNERGY HomeCare is available 24 hours a day, 7 days a week, 365 days a year. Outside normal business hours, we have an on-call staff member available.

Will SYNERGY HomeCare verify coverage before starting service?

Yes. SYNERGY HomeCare is very knowledgeable in dealing with insurance companies. We can contact the client's insurance provider to make a determination.

Is Medicare or Medicaid available for non-medical in-home care?

In 2019, some Medicare Advantage plans became available, which may cover non-medical home care services depending on the member's plan.

Medicaid can reimburse for non-medical home care services to help individuals remain living safely in their homes. However, Medicaid rules are state-specific, and therefore, eligibility and benefits differ in every state.

What different services do you offer?

SYNERGY HomeCare offers a full menu of non-medical home care services.
